Nominator's Statement

Similar to the consideration given by the Merritt jury to performance, design, direction, TNS wants to be sure that technicians are given due consideration each year. To that end, we must ask producing companies or individual theatre practitioners to submit written nominations to be reviewed by a panel to determine the annual recipient. **Please ensure that your nomination details the contribution that the Technician made to the success of a professional show produced in Nova Scotia from January 1-December 31, 2017.** Max. 500 words. Optional: support materials (biography, CV, letters of support, etc.)
